## General Comment

I will make my own decisions regarding how I spend my retirement funds. I do not want the EBSA proposed rule to be implemented. I disagree strongly against allowing compensation which otherwise is prohibited as a conflict of interest: "If adopted, these proposals would allow certain broker-dealers, insurance agents, and others that act as investment advice fiduciaries to continue to receive many common forms of compensation that otherwise would be prohibited as conflicts of interest."

Please do not pass this proposed rule.
